# Instruction Guide

In each of the package, you will get 3 things.

1. Squeeze Page
2. Affiliate Product Fact Sheet
3. Autoresponder Series Emails

In #1, the squeeze page is essentially the lead capture page you can use to generate leads and make sales. Just follow the instructions in the main course to learn how to get traffic to the squeeze page and more.

If you need web hosting for your squeeze page, you can get it from http://www.DiscountedWebHost.com and get a free domain name.

If you already have web hosting and only needs the domain name, then sign up for a domain name at http://getyourdomainnames.com

And for the autoresponder, you can get it at Professionalresponder.com

In #2, you have the affiliate product fact sheet. You will be promoting the 1st product right after the visitor join your list and you will find other recommended affiliate products which you can promote to your list. Please check the affiliate product fact sheet to find the list of affiliate products which you can promote.

NOTE: If the vendor took down the offer, you can choose or promote similar products from Clickbank.

In #3, you will have access to 5 emails which you can add to your Autoresponder email follow up series.
